

Oregon Coalition:
**FEED KIDS TODAY;
GROW LEADERS TOMORROW!**

ENDORSEMENT FORM

In order to grow, learn and thrive, Oregon's children need to be free from hunger. Federal child nutrition programs can help accomplish this by providing reliable access to good, nutritious food where kids live, learn and play.

I/we agree to the following actions to improve federal child nutrition programs:

- **Expand access** to nutrition programs so all hungry children have the opportunity to eat.
- **Update and improve nutrition standards** to support healthy eating and address obesity.
- **Enhance and streamline administrative efficiency** so programs can feed more children.
- **Increase funding** so more organizations can provide nutritious meals and healthy snacks.

By signing this form, you agree to add your name and/or the name of your organization to the list of individuals and organizations that endorse this platform.
